# Evaluation Criteria

---

Can identify letters/notes

Can write notes from letters on the music staff

Can write and play a simple tune on the keyboard

# Is Music a Universal Language?

Same code  
Different  
sounds!

soft/harsh  
melodious/strident  
fast/slow  
lively/melancholic

The background is a complex, abstract collage. It features various musical instruments, including a trumpet on the right, a saxophone in the center, and a drum on the left. These instruments are rendered in a stylized, geometric manner using a palette of muted colors like olive green, mustard yellow, dusty rose, and navy blue. The background is also filled with overlapping circles, triangles, and other geometric shapes. Some areas have a dark background with white polka dots, while others have a lighter, textured appearance. The overall composition is dense and vibrant.

Thank you!  
Good vibes to everyone!
